Comments:

Goshen HS is an urban school located between South Bend and Fort Wayne with an enrollment of 1940 students. We compete in the Northern Lakes Conference and are a 5A football school and in 4A in all other class sports. We are proud to fully embrace an education based athletics philosophy and are fully committed to the IHSAA's InsideOut Coaching initiative. Please visit goshenredhawks.org for more information about our athletic programs and ghs.goshenschools.org for specifics about our school.

Our varsity team graduated 8 seniors this year. While we only have 3 returning letter winners, they will be joined by a JV team that compiled a 22-7 record. Many of these girls were moved to varsity for the sectional, where we avenged a regular season loss in a dominating 3 – 0 win. This is a very talented group with a desire to compete.

Please contact Larry Kissinger at lkissinger@goshenschools.org if you are interested in this position.
