GUEST SPEAKER

Cathy Rubey

Cathy Rubey has been coaching tennis for almost as long as she has been playing tennis. Cathy played and trained under her high school coach, Indiana HS Coach Hall of Famer and USPTA Master Professional Dan Hopkins, at Terre Haute South. While at TH South, Cathy advanced with her team all 3 years to the Jasper Semi-State, only to be beaten by a crafty Evansville squad every year.

Cathy was able to incorporate tennis as a part or full-time job after college with gigs at Nevada Bob's Golf and Tennis HQ in Las Vegas, Nevada, assistant coaching and teaching with another USPTA Master Professional, Chuck Enge, in Downers Grove, Illinois, and the western suburbs of Chicago with her family. While in Chicagoland, Cathy played and taught all around the area, teaching at the Oak Brook Park District Racquet Club, Downers Grove Swim and Racquet Club, and Salt Creek Club in Hinsdale.

Upon relocation to the Indianapolis area, Cathy was recommended for a coaching position at Cardinal Ritter High School in Indianapolis where she was an assistant under Head Coach Earl Allen, then head coach until 2017-2021. Cathy also joined the tennis staff at the Indianapolis Healthplex from 2017-2021. The USTA Central Indiana office needed a Junior Coordinator in 2021, so Cathy joined their office that May.

While with the USTA, Cathy ran well attended events in multiple cities around Indiana. She worked and trained with tennis providers, non-profit partners, parks and recreation entities and schools to deliver tennis programming for adults and children. After the District Office merged with the Midwest Section, Cathy spent the summer at the Devon Country Club in Indianapolis as Tennis Director. A coaching position became available with her friend and colleague, in Zionsville in 2024, and she is now after 2 seasons the interim head coach for the Girls Team and Assistant under Coach Earl Allen.

Did You Know...

- Munster High School has the record for most sectional championships with 47, including 46 consecutive since 1977.
- Don't play Carmel, Park Tudor, or Brebeuf in the state finals. These 3 schools have a combined record of **25 - 3** in the State Championship Title Matches. By the way, North Central is another you do not want to be matched against...they are 12 - 3 in State Championship matches. Coincidentally, Carmel, Park Tudor, and Brebeuf are all within a 5 mile radius of North Central HS.
- From 1975-1981, the state finals consisted of individuals representing various schools competing in a state singles tournament and doubles tournament. Those schools were credited with a state finals appearance if they had a singles player or doubles team competing in the state finals tournament. Beginning in 1982, the state finals tournament changed to a format of four full teams competing head-to-head for the state championship. In 2010, the tournament format changed adding four more teams for an eight-team state finals field.
- Leah Barnes of Canterbury High School holds the record of most wins in a career, compiling a 108-3 record during her tenure.
- In 2019, Claire Kocielski completed her high school perfect high school career. Her overall high school record is 101 – 0. By the way, she won her final match, in a traditional third set tie-break, during the team state championship match. Cathedral won the match 3-2 over Park Tudor. Meg Coleman(Cathedral) also won, in a traditional third set tie-break, for the Irish in a 4-hour match. A few hours earlier, Coleman won a 3rd set match during the team's semi-final match vs Carmel. What an unbelievable day of tennis!
- Starting in the 1981-82 school year, the state tourney format changed to conduct separate tournaments for teams and singles players.
- Sharon Rosenburgh coached Carmel Girls to state championships in FOUR different decades!
- The ICGSA represents each of the eleven girls' sports in Indiana. There are over 1300 Indiana coaches representing all levels of coaching.
- The 2020 ICGSA Senior North South All-Star Cup did not take place on the court. The players were honored through a video tribute.

SMASH CANCER

The SmashCancer charity girls tennis matches have made a large impact in the 14-year history of the program's existence in Indiana high school tennis. These events started in the Spring of 2012 and involve two or more schools coming together on the tennis courts to raise money for various cancer beneficiaries. Players from both teams put aside the rivalry and wear SmashCancer t-shirts in a dozen different colors to recognize those who have or are fighting multiple types of cancer.

Since 2012, Indiana high school tennis teams have combined to raise more than \$300,000 in the fight against cancer.

Delta and Yorktown, the co-founders of SmashCancer, held their 14th annual event this spring. This match now is the largest single-game charity in Indiana high school sports. In each of the past three years, the Delta-Yorktown SmashCancer event has raised more than \$20,000 for local cancer beneficiaries. In total, the Delta-Yorktown event has raised \$160,000 in 14 years.

Additional events have been held in many communities, including the annual Jasper Invitational, in which all eight schools play for a different cancer charity. Over the years, SmashCancer matches have included Danville vs. Tri-West, Gibson Southern vs. Princeton, Marion vs. Madison Grant, Centerville vs. Richmond, Lebanon vs. Western Boone, Fishers vs. Hamilton Southeastern, Concord vs. Northwood, Plymouth vs. Bremen, Fremont vs. Angola, the Hancock County tournament, Arsenal Tech vs. Bishop Chatard, Cathedral vs. Westfield, and Homestead vs. Canterbury.

Coaches from any school interested in starting a #SmashCancer in the future are invited to contact Delta Coach Tim Cleland at 765-730-3288 or tcleland@delcomschools.org for information.
